Dear Salwanji,

We sincerely thank you for your proactive initiative to involve your school in contributing and supporting the Vidya Daan program. This program is a great source of knowledge for all teachers and students across India. We greatly appreciate you freely sharing the content of your school with the rest of the country.

CBSE has decided to name the program as 'Vidya Daan' to celebrate the spirit of contribution with which teachers like you have made this platform possible. The essence of this program is to ensure that content is "of the schools, for the schools and by the schools" that helps in improving learning.

CBSE believes this program marks the beginning of a wonderful journey wherein schools, teachers and other relevant stakeholders will collaborate with the Board and participate in 'Vidya Daan' to continuously enrich and improve content, for the benefit of the entire teaching and learning community.

Once again we thank you for your support and hope to continue these partnerships with you.

Yours sincerely,

  
(Dr. Biswajit Saha)
